Army Corps of Engineers at Sam Rayburn Lake announce road closure for routine maintenance

FORT WORTH, Texas – The U.S. Army Corps of Engineers at Sam Rayburn Lake will close Rural Route 255 on different nights over the next several months in order to perform routine maintenance on their flood gates. Closing RR255 is necessary for the removal and replacement of the gates.

The highway will be closed between the Twin Dikes Public Boat Ramp and the entrance of Ebenezer Park with the next closure scheduled for October 12 starting at 10 p.m. and lasting for approximately five hours. The best alternate route will be through Jasper using Highways 63 and US 96.

For more information please contact Sammy Read or Randall Peck at the Sam Rayburn Project Office at (409) 384-5716.
